NaturoPure™ Rice Cooker **HF 1011**

Now you don't have to wait and watch for the rice to be perfectly cooked, all you have to do is to add rice to the cooker along with measured amount of water, place the lid, press the power button and let it take care of the rest. The unit incorporates a removable nonstick pot that ensures food release and cleaning easier than ever. Other noticeable features include process indicator lights, stay-cool handles, stable feet, and a tempered-glass lid to keep an eye on the cooking process. The unit also comes with a measuring cup and a serving spoon included. With all the features and convenience that it has to offer the Heaven Fresh rice cooker will become a perfect cooking mate of any cook in the kitchen.

FEATURES

- See-through lid to allow you to view the rice while cooking.
- Automatically switches to 'Keep Warm' mode after cooking.
- Non-stick coated pot helps prevent cooked rice from sticking.
- Durable stay-cool side handles for safe handling.
- Handy indicator lights to let you know when the rice cooker is cooking or warm for safe use.
- Easy-to-use single switch control.
- 400 watts of power to deliver efficient heat.
- Removable cooking pot to allow quick and simple cleanup.
- Package includes a serving spoon and a measuring cup.
- Stable feet with strong suction and large 1.5 litres of capacity.
